

# Bill

**The Bill is a very adjustable premium desk light utilising either a fluorescent or incandescent lamp. The Bill is a suited to office desk space, providing additional light at the task area allowing the remainder of the space to be lit at much lower levels. The low energy consumption, especially when used in conjunction with the GO XT make this configuration extremely cost effective. Supplied with a clamp as standard, other mounting options are available.**

- Aluminium construction
- Floor, pin or base mounting options
- CFL fluorescent lamp
- Grey paint finish
- Adjustable head and arm
