

Milan

Visually sympathetic to ceiling grid installation, the Milan provides a decorative lighting solution in areas such as lobbies, receptions, meeting rooms or breakout space. The 8mm thick frosted drop glass is available in centrally frosted, edge frosted or hollow square versions. Secure installation via 4 push out and screw fixing arms. Special colour glass available on request.

- Choice of decorative drop glass attachments
- 99.9% pure aluminium reflector
- Tough GRP gearbox
- Optional, metal tile ceiling support pattress.
- Emergency version available
- Remote metal gearbox
