

# Tonda

**Tonda is a surface wall/ceiling mountable circular luminaire suitable for stairwells and circulation space. The die-cast aluminium body and opal polycarbonate diffuser make the Tonda useful for anti-vandal applications, the cover being secured via 4 anti-tamper fixing bolts. The body design allows for additional light spill onto any surface to which the Tonda is mounted, whilst its IP65 rating permits external use. Supplied in white as standard the Tonda is also available in silver or black on request.**

- Die-cast aluminium body
- Polycarbonate diffuser
- Anti-vandal/anti-tamper
- IP65
- White, silver or black

## Tonda

Product	Available Options	Power	Weight	Height	Diameter	Fixing Centres
